ABSTRACT

This thesis will serve as a culmination of my activities and unique experiences as a member and leader of the Indiana Junior Angus Association (IJAA). It is a "capstone" project because it not only combined major aspects of my education, but also separate parts of my life. My Mathematics and Foundations of Business minors have proven useful in my position as IJAA treasurer since 1994. Through a journal-type review of my actions and responsibilities, I hope to describe the many lessons I have learned that went beyond my classrooms and activities.

My involvement with the IJAA began at the age of nine, and has continued through my college years. The hands on and real world experiences provided an opportunity for me to expand my horizons while becoming familiar with the workings of a non-profit organization.

For the past two years I have played an integral part in the planning and production of the 1998 National Junior Angus Show, which was hosted in Indianapolis by the Indiana Junior Angus Association. The final budget was over \$110,000, with \$30,000 of income from an Indiana Livestock Promotion and Development Fund grant.

This thesis will highlight the following:

- 1) Goals and activities of the National and State Junior Angus Associations
- 2) The purpose of the Indiana Livestock Promotion and Development Fund, and our application process
- 3) My book keeping style, investments made, and fund raising of the organization
- 4) Committee chairs and activities fundamental to hosting a successful show
- 5) The reimbursement process associated with the Indiana Livestock Promotion and Development Fund

PREVIEW

NJAA members will “Hoop It Up” in Indianapolis

Young Angus enthusiasts from across the United States will travel to Indianapolis July 20-25 for the largest, most exciting Angus event of the year — the 1998 National Junior Angus Show (NJAS).

The Indiana Junior Angus Association spent more than a year planning for this year's NJAS, themed “Hoop it up in Indiana.” The event, which has grown to be the largest single-breed beef cattle show in the world, will be held at the Indiana State Fairgrounds.

Junior Angus breeders from more than 40 states are expected to enter cattle in the five-day event. In addition to the livestock competitions, leadership contests and educational seminars will be held for all National Junior Angus Association (NJAA) members, providing young Angus breeders from all parts of the United States the opportunity to compete — with or without cattle.

More than 70 contestants are expected to compete for the title of “Top Showman” in the finals of the 32nd National Junior Angus Showmanship Contest.

Six Angus leaders will be elected as directors of the NJAA Board at the annual meeting of the NJAA. Other contests include a public speaking contest, with both prepared and extemporaneous divisions, and team sales competitions, as well as the *Certified Angus Beef*™ Cook-Off, photography and poster contests.

Exhibitors must be junior members of the American Angus Association. To compete, they must be 9 years old, but not yet 21, by Jan. 1, 1998. Applications for transfer of the animals to the junior members must be postmarked by May 15. Applications of registrations of bred-and-owned animals and all entries must be postmarked by June 1.

For entries or more information on the NJAS, contact:

Cook-Off to celebrate 15th anniversary

Entries are now being taken for the 15th All-American *Certified Angus Beef* Cook-Off. This event, coordinated by the American Angus Auxiliary and the National Junior Angus Association (NJAA), will be held Tuesday, July 21, at 2:30 p.m.

The event has grown over the years as it has traveled location to location with the National Junior Angus Show. For the last several years, more than 100 individuals have cooked, sung and danced to explain the merits of *Certified Angus Beef* product to judges and spectators.

Steve Hadley, Sysco Food Service of Indianapolis, will provide the cuts of *Certified Angus Beef* to any group entering

PHOTO COURTESY OF INDIANAPOLIS CONVENTION & VISITORS ASSOCIATION

the contest. Entries must be received by June 1 to assure specific cuts can be obtained. Any cut of beef can be used.

Juniors must cook in teams of at least two, but no more than four persons. No more than one team may represent a state in each age division. Grills will be provided by the Indiana Angus Association, but any cooking unit may be used if the contestant provides the unit.

Teams of judges will evaluate the entries in four age divisions — 9-13; 14-17; 18-21; and an adult division for those over 21 years of age.

The teams will compete for awards in recipe and showmanship categories. Overall winners in each division will be named. In keeping with the creative nature of the

contest, teams are judged on the skit, costumes and presentation, as well as the *Certified Angus Beef* they serve.

Typed recipes, including directions for preparation, and names, complete mailing addresses and ages of team members should be sent by June 1 to Cook-Off chairwoman: Anne Patton Schubert, 4040 Taylorsville Rd., Taylorsville KY 40071. For more information, contact Anne at: (502) 477-2637 or (502) 477-2663.

NJAA seeks donations for Silent Auction

Are you searching for unique Angus merchandise or collectibles and a way to boost Angus youth programs? Then you

should check out the Angus Foundation Silent Auction at the NJAS.

The auction is a fund-raiser for the Angus Foundation, which supports educational programs and activities for NJAA members.

The NJAA Board is asking each state to donate at least two items for the 1998 Silent Auction. The state whose item raises the most money for the Angus Foundation will be awarded a \$100 prize. State associations that will not have representation at the NJAS can send their items to the American Angus Association office by July 1.

For more information, contact the junior activities department at (816) 383-5100.

That's the question most asked by Indiana visitors. No one seems to know exactly where the word "Hoosier" (hoo-zhur) came from, but there are plenty of stories on its origin — 30 at last count. Here are a couple of the more popular theories:

Early pioneers used to answer knocks on their cabin doors by saying, "Who's yere?" This greeting became the nickname for Indiana residents.

Indiana settlers were well-known for their ability to hush anyone who did not agree with them. This was generally done with fists instead of with debates. The settlers were called "Hushers." With a southern Indiana drawl, "Hushers" is pronounced like "Hoosiers."

INTRODUCTION

The Junior Activities Department of the American Angus Association (AAA) was started in 1956. Its purpose then was to encourage young people to become involved with Angus steer and heifer projects. Today that purpose has expanded to include more projects and programs that help juniors develop their skills and character.

There are presently more than 10,000 active junior members from all parts of the United States and Canada. There are also approximately 65 state, regional, and local Junior Angus Associations active throughout the country. These groups, with the assistance of the AAA, meet regularly, sponsor shows and field days, and take an active part in the Angus business and promotion of the breed. The director of junior activities for the AAA coordinates all junior programs, and works full time with young people and the National Junior Angus Association Board of Directors.

Twelve outstanding Angus juniors serve each year on the National Junior Angus Association (NJAA) Board of Directors. Every year, six members are elected at the annual meeting held in conjunction with the National Junior Angus Show. During their term, directors develop and carry out programs and events to serve junior members and the Angus breed across the nation. They travel to many parts of the United States on behalf of the NJAA. Travel enables them to meet fellow members and personally share their thoughts and experiences of Angus involvement. They also get first-hand experience at leadership, cooperation, and organization.

Leadership training is readily available and encouraged for all NJAA members. At the local level, it begins with watching and learning. By participating in meetings and volunteering to help with projects and committee work, young members get their first taste of leadership. The NJAA hosts an annual LEAD conference for the purpose of leadership training and development. LEAD stands for

Leaders Engaged in Angus Development. The LEAD conference teaches juniors about the Angus business and the beef industry in general. They also learn about leadership, goal setting and how to improve themselves. NJAA Board Members also conduct leadership training for state and local junior groups. This enables juniors to learn from a Board Member's experiences and to see first hand how a fellow junior Angus breeder can be successful and contribute to the program.

The annual National Junior Angus Show (NJAS) is a weeklong culmination of all the goals of the AAA. Along with the exhibition of cattle, juniors participate in numerous other activities designed to create positive learning experiences. Projects related to genetics, pedigrees, and carcass data teach about the basics of the Angus industry. Showmanship contests teach the value of proper sportsmanship and help build self-confidence. Members can demonstrate their poise and speaking abilities in public speaking contests. Marketing skills can be enhanced through the team sales competition; where three-member teams attempt to sell an animal to a panel of judges. Photography and poster contests highlight artistic talent. The Certified Angus Beef™ Cook-Off combines tasty beef dishes with original skits.

State pride is apparent at every NJAS, as juniors work together to present the best possible state display. This serves as their platform to spread the news about what their state has to offer, as well as what their state's Angus industry is all about. State groups also submit scrapbooks of the year's activities to compete in the scrapbook contest. These are on display all week so spectators and exhibitors can learn more about each junior group and the activities and fun they've had.

Fun is an important aspect of the NJAA. The NJAA Board of Directors leads the fun times of their organization as well as the business aspects. A collage of photos was added to the 1998 NJAS

program depicting the year-round fun they enjoyed as an incentive for younger members to strive for the goal of becoming a NJAA Board of Directors member (included on page 4).

The recent development of the American Angus Association web page has taken the organization to the cutting edge of technology. Now, all the opportunities available to juniors can be easily accessed by the click of a mouse. Any questions can be answered rapidly and conveniently via the Internet by the helpful staff. The cover page of the NJAA web site features fun-filled pictures that were taken in Indianapolis at the 1998 National Junior Angus Show (included on page 5).

Indiana Livestock Promotion and Development Fund

“The Indiana Livestock Promotion and Development Fund is designed to aid, encourage and promote the development and improvement of the livestock industry throughout Indiana.” This is the purpose of the Livestock Promotion and Development Fund as stated by Lieutenant Governor and Commissioner of Agriculture Joseph E. Kernan. The fund was established by the Indiana General Assembly and is administered by the Office of the Commissioner of Agriculture (OCA). Since it’s inception, this fund has awarded 64 grants for a total of \$657,590.00, according to the OCA.

The advisor for the Indiana Junior Angus Association, Pam Snepp, became aware of this fund through a news release in 1997 (included on page 8), shortly after Indiana’s bid to host the 1998 NJAS had been accepted. The very detailed application form required listing objectives, benefits for the industry and State of Indiana, and historical background of project. Upon reviewing those categories related to the NJAS, it was clear that our project was ideally suited for a grant from this fund.

We were literally the first organization to apply for money from this fund. Due to the fact that the program itself was a brand new concept, finalization of all criteria was not complete. In addition, the OCA was changing hands and there was excess confusion. As a result of these extenuating circumstances, our initial request for funds was denied.

I worked closely with Pam compiling our revised application (included pages 9-12), in an attempt to receive funding for our quickly approaching show. We projected that our event would draw in over 4,000 attendees throughout the week. Our detailed objectives, benefits, and goals outlined our plans for the development and improvement of the Angus industry and the State of Indiana through various activities. By providing tours of local farms and famous Indianapolis attractions to participants, we planned to showcase more than simply our State Fairgrounds to out of state visitors.

In order to receive this grant, we believed it important to incorporate many Indiana commodities into our weekly events. Our application highlighted our efforts to work with the Indiana Junior Beef Cattle Association, FFA, and various county pork and dairy associations.

We also included costs of past shows and donations from their respective State Governments in the history portion of our application. We wanted the OCA to feel as though Indiana would be missing an important opportunity if the IJAA did not host this event, and that we would be unable to do so without their support. The basis for how much money we needed was supported by my past financial records as treasurer and estimated budgets for expenses (as detailed on pages 10-11). The foundation for the "Hoop it up in Indiana '98" project was the budget that was developed at this stage in the planning process.

Our request for funding had to be broken down into specific areas. It would have been much simpler, as treasurer, to ask for and receive \$54,050 to spend on any and all miscellaneous expenses. Due to the structure of the fund, we were forced to estimate costs in very specific areas, provided by the OCA, and then each was considered separately for funding.

We were elated to receive the letter of acceptance (included on page 13). Only \$30,000 of our request was granted, and specific amounts had been determined in the various categories. A spreadsheet breaking down amounts requested and grant funds approved in each category provided a foundation for our final budget (included on page 14). Due to stringent guidelines, my record keeping had to be flawless. Nevertheless, we were excited that our dream of hosting the 1998 NJAS could now become a reality.

OFFICE OF THE COMMISSIONER OF AGRICULTURE ACCEPTS APPLICATIONS FOR INDIANA LIVESTOCK PROMOTION AND DEVELOPMENT FUND

(INDIANAPOLIS) — Lieutenant Governor Joe Kernan, Indiana's Commissioner of Agriculture, announced today that the Office of the Commissioner of Agriculture (OCA) has applications available for the Indiana Livestock Promotion and Development Fund.

"The Indiana Livestock Promotion and Development Fund is designed to aid, encourage, and promote the development and improvement of the livestock industry throughout the state," said Kernan. "The funds may be used in a variety of ways including livestock expositions, sales, conventions and expansion into new or existing markets."

The fund was established by the Indiana General Assembly and is administered by the OCA. The OCA must receive all applications on or before September 15, 1997. Applicants will be notified of their status in October.

Various livestock associations, county fair organizations and other groups interested in livestock are encouraged to apply to the Indiana Livestock Promotion and Development Fund. For further information or to request an application, contact Pam Bright at 317/232-8769.

1998 National Junior Angus Show

Objectives

1. The Indiana Angus Association is honored to be the hosts of the 1998 National Junior Angus Show. We know that this event will be beneficial to cattlemen throughout the state. Any purebred show benefits the total beef industry as it gives cattle feeders, commercial cattlemen, and stockers a wide genetic pool to choose their seedstock from.
2. The purpose of the National Junior Angus Show isn't just exhibiting cattle. Our goal is to open minds and create positive learning experiences in a fun and friendly atmosphere for juniors and adults. Encouraging youth to continue in agriculture in various capacities as adults.
3. As Angus breeders, we use this event to educate youth and adults on genetics, pedigrees, carcass data, and the Certified Angus Beef Program. Knowledge empowers us as beef cattle producers to make informed decisions and produce a better beef product for consumers.
4. An event of this nature develops leadership skills and responsibility in youth. It provides a wide variation of educational opportunities, contests, and seminars for Indiana youth as well as youth throughout the nation.
5. We feel that state funding would strengthen and enhance the image of Indiana's support for their agricultural community on a national level.

Benefits

1. Useful in Indiana tourism promotion. This event will draw Angus breeders and other interested persons from across the United States, Canada, Australia, and South America. These exhibitors and their families will be staying in hotels, eating at restaurants and seeing the sights of Indianapolis and Indiana.

2. To promote Indiana products and companies through donations and sponsorships. We will coordinate activities with the Indiana Beef Cattle Association to promote all cattle, and involve several other agriculture related industries. We hope to serve one free meal to participants and their families using Indiana produce and beef. The entire agriculture industry will benefit from this show.
3. We have approached the Indiana Junior Beef Cattle Association about serving ribeye sandwiches and some FFA groups about keeping the barn aisles and showing clean. We would also like to get other agriculture commodities involved by using county pork or dairy associations as food service operators if allowed by the State Fair contract.
4. We plan to have booth and tradeshow space available for university promotion, beef related agricultural advertising and promotion, and retail merchandising. This event usually draws beef pharmaceutical companies, animal feeds, insurance, embryo transplant, semen companies, and computer program suppliers, just to name a few.
5. Indiana Angus breeders may organize farm tours to gain national exposure for the Indiana Angus Cattlemen. These farm tours boost Indiana's marketing potential by introducing nationally renowned cattle businessmen to several progressive Indiana breeding programs enlarging their potential customer list.
6. The National Junior Angus Show would be an effective additional use of the existing buildings and facilities at the State Fairgrounds.
7. The National Junior Angus Show increases opportunities for junior growth and development. The future of the beef cattle industry depends on how well we educate our youth on environmental issues, marketing, production, and sales. Giving our youth strong roots in the beef cattle industry will help them develop their wings to explore the rest of the world with confidence.

History

The National Junior Angus Show began in 1969. It has been hosted by states as far west as Nebraska and Kansas, as far east as Ohio, as far south as Georgia and Texas, and as far north as Michigan and Wisconsin. Indiana hosted this event in 1987 at the Indiana State Fairgrounds and we are excited about taking our turn again in 1998. This event is the largest single breed beef show in the world. It draws in excess of 4,000 people from the United States, Canada, Australia, and South America. The youth participate in the showing, speech contests, poster contests, photography, team sales competition, beef cook-off contests, scholarship awards, conferences, seminars, showmanship, and as candidates for the National Junior Board. Events like this in the Angus Association help develop a life long interest in cattle and agriculture. The conferences, seminars, and people to people contacts develop committed, environmentally aware, productive citizens as well as good cattlemen and women.

Iowa hosted the national show in 1994 with 845 head of cattle and 496 exhibitors. The Iowa Department of Agriculture donated \$5,000.00 and facility rental to this event. The total cost of the event was \$76,587.58. Kentucky hosted the show in 1995 with 924 head of cattle and 510 exhibitors. Their Department of Agriculture presented the Kentucky Juniors with a check for \$15,000.00 at the opening ceremonies of the show. The total cost of hosting this event was \$90,000.00. The 1996 show was hosted by Missouri in Kansas City for \$81,000.00 excluding bedding and clean up. There were 1,042 head of cattle shown and 564 exhibitors participating. Georgia hosted the 1997 show. Numbers were down slightly at the show in Perry, Georgia because of it's extreme southern location, with 659 head of cattle and 384 exhibitors. We expect greater participation when the show comes to "The Crossroads of America", Indiana, in 1998. We project 1,200 head of cattle and 800 junior participants.

Livestock Promotion Fund Request.

The Indiana Junior Angus Association (IJAA) consists of nearly 150 members 10 to 21 years of age. These Jr. members have been raising funds for this event since 1994 with the help of generous Indiana Angus Breeders. They have been learning by doing. They are developing skills through their fund-raising activities that will benefit them the rest of their lives. But the cost of hosting a national show is overwhelming and we would appreciate some state assistance through the State of Indiana Livestock Promotion Fund.

If this funding is not available, the IJAA will have to concentrate their efforts on more fund-raising or share the cost of hosting this event with a neighboring state. We have considered the possibility of hosting this event with Kentucky in Louisville whose facility is less expensive than the Indiana State Fairgrounds, and it is air conditioned. The IJAA members are proud of their state and wish to showcase their cattle on a national level in Indiana.

In order to offer the National Junior Angus Association a first rate Junior National Angus Show in Indianapolis, IN from July 19-25, 1998, the Indiana Angus Association feels that the following expenses are essential and consistent with the shows in Kansas (\$63,345.00), Kentucky (\$90,626.77), and Missouri (\$81,000.00 +).

IJAA Income

IJAA Fund-raisers & Membership Dues 1994-1996	\$ 9,500.00
This is the cash on hand as of 8-1-97	
IJAA certificate of deposit	\$10,000.00
<i>The following income is estimated.</i>	
Northern Indiana Angus Association Donation (pledged)	500.00
Show Catalogue Advertising Sales	\$ 8,000.00
Exhibitor Bedding Charge	\$ 9,000.00
Trade Show & Booth Space Rental	\$ 2,000.00
Donations from participating states (optional)	\$ 500.00
Indiana Angus Association (pledged)	\$10,000.00
Indiana Angus Auxiliary (optional)	\$ 500.00
Wilson Cattle Co. heifer donation	\$ 5,000.00
Interest Income	?
Total estimated income	\$55,000.00

Budget Expenses

All of the following items are included in the capped and fixed price of \$30,000.00 from the Indiana State Fairgrounds to the American Angus Association (AAA). The national association will be responsible for these costs:

Setup & Labor / Cleanup & Labor (McCarty)
Electrical & Sewage
Ermco Setup
Manure & Trash Removal (BFI)
Facility Charge (including 65-70 tables and chairs)
(Pepsi Coliseum, Our Land Pavilion, South Pavilion, West Pavilion, and Open Air Arena)
Tie-out space & trailer tie-out space
Washrack space (extra between West and South Pavilion)
Security (1 person patrolling fairgrounds) & Restroom Cleaning

Total Expenses to AAA for facility rental**\$30,000.00**

All premiums and cattle judges fees are paid by the American Angus Association with entry fee funds. Income and expenses usually offset one another.

State associations sometimes choose to help serve or sponsor breakfasts or lunches. At this time we do not have any concrete information from these states. The juniors have made contact with state associations and are waiting for their replies. The free evening meal is very expensive, so the Indiana Junior Angus Association will solicit corporate donations or sponsorships to offset this \$18,000.00 cost.

Dear Pam:

Thank you for your commitment to Indiana agriculture and your interest in the promotion of the livestock industry. Based on evaluation by the recommendation committee and approval by Lieutenant Governor Joseph Kernan, Indiana's Commissioner of Agriculture, I am please to inform you that your project "National Junior Angus Show" was approved for funding. The grant was approved in the amount upto \$30,000.00. The actual grant amount will be determined by the actual cost.

Enclosed you will find three copies of the grant agreement, a signature card and a W-9 form that needs filled out and signed. Please read the agreement carefully before signing. You will also find enclosed a copy of a Grant Procedures Manual to assist you in completing the forms.

All forms should be returned promptly to my attention for processing. If you have any questions, please do not hesitate to give me a call at 317/232-8769.

Once again, thank you for your commitment to Indiana agriculture, and good luck with your event.

Sincerely,

Pam Bright
Program Director

BOOK KEEPING

By using Quicken Special Edition TM software, I was able to log each check written and deposit made into appropriate categories. In my early years as IJAA treasurer, before this project was in the works, I often dealt with bags of money and unclear records. At the beginning of my second term, when hosting the 1998 NJAS was first considered, I took steps to regulate our record keeping and check writing process. I explained to younger members, who enthusiastically helped with various forms of fund raising, how important it was to keep separate “piles” of money for each project. Checks were only written for reimbursement *after* the proper receipts were produced and the expenditure was clearly explained.

Once “Hoop it up in Indiana '98” became a reality, it was necessary to open a separate checking account strictly for show expenditures and income. Our IJAA account contained money for the business of our own association, as well as income earned by early fund raising efforts in hopes of securing the bid for the 1998 NJAS. As treasurer, I divided it appropriately and established a “Hoop it up in Indiana '98” checking account at First Merchants Bank in Muncie, Indiana (a copy of a bank statement is included on page 17). This became vital to our successful reimbursement process with the State of Indiana.

The register report (included on pages 18-24) displays in chronological order the book keeping process I used for the entirety of this project. Every check written and deposit made is listed in the register report. The early entries, dated January 15, 1998, that do not have check numbers represent the “total” for that category transferred from the IJAA checking account. Note the dramatic increase in activity during June and July (the dates for the 1998 NJAS were July 20-25).

Twenty-four people from all across Indiana served on various committees, complicating my job as treasurer. There are occasionally several entries under one check number in the register report. This represents one person seeking reimbursement for expenditures related to several different committees or budget categories.

It was vital to keep record of expenses separately, even though the money was paid to only one person. Using Quicken TM to sort the individual entries, I was able to create a category report (included on pages 25-38). The category report was the most helpful tool in monitoring the progress of the budget. It was the report I often faxed, mailed, or brought to my advisor Pam at our meetings.

Committee chairs found this report useful because all paid expenses were listed together under a category heading. They were able to easily tell if I had received and paid a bill related to their portion of the project, and when. Abbreviations and words entered under the "Description" and "Memo" columns of these reports were my way of distinguishing specific entries, and allowed me to answer questions from just my report, without referring to the filed-away invoices.

Roughly 85 percent of my contact with the committee chairs was through the mail. For two years, my tiny mailbox was crammed with letters containing checks and receipts from across Indiana and invoices from companies all over the country. It was a high priority to attend to important mail on a daily basis, and keep my activities organized. I carefully filed statements, canceled checks, and correlating invoices to ensure easy application for reimbursement from our Indiana Livestock Promotion and Development Fund grant following our event.

INVESTMENTS

When the "Hoop it up in Indiana '98" account was established, the total was over \$23,000. I spoke with my advisor, and expressed concern about leaving that large of a sum in the checking account when the NJAS was six months away. Clearly a money market account was better suited for a portion of this money, paying higher interest while allowing access to the money. I met with the treasurer of the Indiana Angus Association, and he recommended the "Platinum One Account" at Fifth Third Bank in Greensburg where the adult association invested. We agreed that a \$10,000 initial investment would be appropriate, noting that addition or subtraction from this amount would not pose a problem (example of statement included on page 40). To date, this investment has earned over \$800 interest for "Hoop it up."

Another investment was established by a group of officers following the last Indiana-hosted NJAS, in 1986. They invested extra money from their NJAS account in a certificate of deposit at Shelby County Savings Bank. This investment was kept under the control of the Indiana Angus Association, and allocated for use in hosting a future NJAS. After our bid for the 1998 NJAS was accepted, the money reverted to the control of the IJAA. The C.D. was cashed in for easier access. A portion was deposited into the "Hoop it up in Indiana '98" checking account, while the majority was invested into a "Now Account" at the same bank, earning a very competitive rate of 5.25% (example of statement included on page 41).

FUND RAISING

The fund raising attempts of the IJAA members were intense, diverse, and lucrative. Major endeavors included pre-paid long distance phone cards, T-shirt sales, and basket lids. Sponsors were found to offset the cost of set up for the phone cards. Then juniors were let loose selling them all over the country; \$10 for 10 minutes (example on page 44). T-shirts were printed and sold for a profit with “attitude sayings” promoting our show. It was the consensus of the juniors that attitude shirts were in style; so various sayings were printed on shirts to be sold. The most popular with juniors nation-wide was: “Just a Show? Just an Angus? I DON’T THINK SO! Indianapolis, IN July 19-25, 1998” (example on page 45).

One of our largest fund-raisers was selling decorative baskets and lids. Several sizes were available with a farm scene burned on top featuring, of course, Angus cattle. For an extra charge they could be personalized with a farm or family name. Approximately \$10,000 profit was made from this project alone. For over a year, it was practically impossible for someone to encounter an IJAA member or supporter and not walk away with a phone card, T-shirt, basket lid, or a combination of all three.

There were generous donations of several embryos, semen from various top-of-the-line bulls, and a semen tank that greatly augmented our fund raising. At different events during the year they were sold at auction with all proceeds benefiting “Hoop it up in Indiana ‘98.” A specific example of generosity came from Wilson Cattle Company. They donated a heifer to be auctioned, named WCC Tess G58, and helped find 66 sponsors to “buy” her. Each WCC Tess sponsor donated \$100 toward her purchase, and then donated her back to be auctioned once more

where she raised \$2,400. Total profit from this project amounted to \$9,100. A picture of WCC Tess, her sponsors, and new owner was printed in the show program (included on page 46).

Sponsors of our show were an extremely important part of our fund raising process. Marketing letters were sent out across the country to potential sponsors (included on pages 47 and 48). In keeping with our basketball theme, various levels of donation were classified as "Dream Team" \$1,000 or more, "Varsity Team" \$500, or "Junior Varsity Team" \$250. Sponsors received different amounts of publicity in return for contributions. These various levels of sponsors were labeled "dedicated team players" and listed in the official show program (included on page 49).

The 140-page show program was almost entirely financed by selling ads within the program. Many supporters from across the country were eager to advertise in the '98 NJAS program due to the vast target market their ad would reached. Prices were related to size and positioning in the program. Our farm, P&J Angus, purchased a quarter-page ad near the index (included on page 50). Larger farms purchased many full-page ads, and most demonstrated the encouragement given to juniors during the week long NJAS (example on page 51). Indiana Angus members were offered a less expensive advertising opportunity within the program. For \$100, the farm name, address, phone number and directions were listed with a correlating location map for all out of state visitors to view (included on pages 52-53).

JULY 19-25, 1998

1998 National Junior Angus Show
July 20-25, 1998
Indianapolis, Indiana

Special Thanks to WILSON CATTLE COMPANY, ERIC HAYMAN & FAMILY and JUNIOR ANGUS SUPPORTERS that generated \$9,100 for the 1998 National Junior Angus Show.

WCC Tess G58 was donated by Wilson Cattle Company, Cloverdale, Indiana, and was auctioned at the 1997 Wilson Cattle Company Sale with proceeds donated to the 1998 National Junior Angus Show. A group of Junior Angus Supporters purchased the heifer for \$6,700, then donated her to be auctioned again. Eric Hayman & Family then purchased the heifer for \$2,400, making a total contribution of \$9,100 to the Indiana Junior Angus Association.

Thickness and performance have "come to the top" at P&J Angus as the Kubesch Family sees elements in its herd that work!

Peru is called "The Friendly City," and all Hoosier Angus breeders know the carrot-mooching, gentle reputation of the Kubesch's P&J Angus cattle. Give us a chance to show how genetics and disposition come together, as such bulls as Omaha Clint, Arapahoe, Pfred, Battle Cry and Rapsallion add their touch to the P&J brood cow herd. We welcome your visit!

COMMITTEES AND ACTIVITIES

This project would not have been possible without the hard work of the committee chairs, who were listed as “coaches” on the recognition page in the program (page 49). Committees were formed in the following areas: fund raising, trade show/publicity, decorations, opening ceremonies, education, grounds, hospitality, queens luncheon, food, and social. In a sense as treasurer I was a member of each committee by handling all finances and budgets. The group of “coaches” worked together at our frequent meetings to help brainstorm for ideas. Minutes from one of our numerous meetings (included on pages 55-62) are an example of the group-effort involved in our planning.

The week of July 20-25, 1998 saw all our efforts pay off, as “Hoop it up in Indiana ‘98” came together beautifully. Opening ceremonies welcomed our guests, and set the basketball theme for the week in motion (see schedule on page 63). The mother of David Letterman, of Ball State fame, attended and read our own special “top ten list” (included on page 64). Hoosier hospitality was on display all week, with an air-conditioned area providing refreshments, meals, and entertainment for young children. The schedule of various hospitality events (included on page 65) shows recognition given to the numerous food sponsors. Angus royalty from every state were entertained at the annual queens' luncheon (see page 66). The entire week was full of activities for all in attendance, and it is clear from the schedule of events (included on page 67) the visiting juniors and their families rarely had time to rest on their visit to Indianapolis.

NATIONAL JUNIOR ANGUS SHOW
SEVENTH MEETING
DECEMBER 30, 1997

Pam Snepp, Jr. Advisor, and General Chair for the show called the meeting to order at 2:00 p.m. on Tuesday, December 30 at the Ramada Inn in Indianapolis. Her thought for the day was " Lets Get Ready to Hoop It Up in '98!" Pam emphasized the word ACTION. Pam wants current reports on all committees.

Pam Snepp discussed the \$30,000.00 Livestock Promotion Fund that we have been granted. A breakdown of approved allocations was provided for each committee chairperson. Pam also announced that the judges for the showmanship contest have been chosen by the American Angus Association. The judges for the showmanship contest are Angie Siemons, Ryan Cotton and Paul Hill. The judges for the show are Don Boggs; steer judge, Nick Overpeck; Owned Heifers, and Dr. Dave Nichols; Bred & owned Heifers.

Pam Snepp read the minutes. Penny Ramsey moved to accept the minutes. B. Jackson seconded. Motion passed.

Polly Kubesch, treasurer, read the treasurer's report. As of 12/30/97, in the general fund we have \$19,051.26. In addition we have:

\$10,294.34 in a money market
\$12,684.77 in a money market
\$30,000.00 Livestock Promotion Fund

Bill Wilson moved to accept the treasurer's report. Josh Gunn seconded the motion. Motion passed.

Pam voiced her concern about the Livestock Promotion Fund. We as an association have to pay out the money first, then after all receipts have been collected we then get paid back. James Fisher, AAA, mentioned that maybe the AAA could pay the bills then the IN juniors could reimburse them.

Jack Sweeney will take care of getting a refrigerated truck for the week of the national. This truck will be used to store all the food that needs to be kept cold throughout the week. The cook-off food will be kept in this truck.

Committee Reports

Fundraising

21st century is donating a semen tank to be auctioned of at the Futurity. Bill Wilson also announced that Galen Fink will be donating 8 embryos for the auction at Denver. This sale will take place in the yards and will be in the catalog. Bill Wilson will talk to potential sponsors in Denver about jackets. J. Sommers moved to charge \$500.00 for a full page ad, \$300.00 for a half page ad, \$200.00 for a quarter of a page in the program book. These prices are for black and white and no photographs. Elizabeth Gunn seconded the motion. Motion passed. Color will be extra as well as separation. Bill Wilson said that he would hand out information at Denver.

Pam reassured that the phone cards are still good to use. In addition, Pam discussed the lapel pins. The Green Company will fix the pins and make the cows black.

Trade show/publicity

Chris Wickard provide a hand out about the trade show to those attending the meeting Trade show ad costs will be \$500.00 for a full page and \$300.00 for a half page. Booth space will be 8x10 for inside and will cost \$500.00. The cost for a 20x20 space outside will cost \$750.00. Chris will send out reservation requests by the first week of January. Deanna Bloom suggested giving those people who donate money for meals, etc. a booth space for free.

We will have an exclusive embroidery company. This company will give us a break on jacket prices. They will sell them to us at cost. Connie Long moved to have the embroidery company pay \$500.00 per booth space that they take. Seconded. Motion passed.

Bill Wilson moved to charge \$1500.00 for supply companies. Josh Gunn seconded the motion. Motion passed.

Decorations

was the PREGNANT committee. She said, "This committee just keeps getting bigger and bigger. All draperies, signs, carpets, skirts, backdrops, showing , saw dust are the responsibility of this committee. Connie has looked into getting a mural painted for the showing. The cost of the mural would be between \$4000.00 and \$5000.00. Draperies will be our second choice.

Chad Wilson has agreed to put in all of the green shavings in the showing. Jim Stewart has agreed to grow corn and soybeans for the showing display.

Connie stressed the fact that all chairpersons need to make a walk-through of the fairgrounds with the George E Fern Company to decide what kinds of signs, banners, backdrops, etc. are going to be needed from each committee.

Opening Ceremonies

Many ideas were given for the opening ceremonies. We will need a bus. We need to acquire basketballs for every state, and approximately 10 wooden hoops. Pam asked that if anyone knew of anyone who would make wooden hoops to let her know. Larry Bird is still attainable. Bleachers in the showing are also needed. Carol Bloom suggested cheerleaders from colleges could be invited. Having the Star Spangled Banner and a Color Guard were also discussed.

Education Committee

Kathy Watkins announced that the Elliot Limestone Products is going out of business but they have agreed to complete our order. We will need between 190 - 200 awards. This number includes 1st place class winners and judges.

There is a concern about the quiz bowl. Jerry Cassady is concerned with the time it takes to carry through with the quiz bowl. Kathy suggested that we think about ways of organizing it so that it does not take too much time. We will know by January 25 whether or not we are going to have the quiz bowl.

Grounds Committee

Jim Patton will try to get Tom Younts and Ron Coverdale onto his the grounds committee. Duane Jackson talked to Reynolds Farm Equipment about supporting the IJAA by donating or cutting us a price on tractors and Gators for the National Show. If John Deere/ Reynolds Farm Equipment supported our show, they wanted to know what we would do for them in return. Possible ideas are an ad in the catalog and / or banners hanging in the barn. Barb Jackson will look into getting 6 -10 hand held radios. Beth Patton will work on getting barn boys' help for main aisles and show ring.

Hospitality

Mary Ann Ward announced that there will be cookies at the hospitality booth, the ways and means will be selling items, ping pong, and possibly an arcade may be available for leisure time. Ward will be working on compiling a list of workers from each region of Indiana for the week. In addition, she is looking into having a sponsor for the hospitality area each day. She believes she will get everything donated.

Queens Luncheon

Sommers reported that the queens' luncheon will be held at the Indianapolis Zoo. Dave Letterman's mother will be speaking at the luncheon and will be giving away her cookbook for the gifts. In addition, she will be a judge for the cook-off. There will be 4 buses that will be used for transportation to and from the zoo/ speedway. Barb Jackson had contacted the bus company, Illinois Swallow. Each bus will cost about \$300.00.

Food Committee

Penny Ramsey will be talking to Dave Hummel from the Indian State Fair. Pam Snepp discussed that she had talked to Virgil Thurston, a professional caterer, at a sale this fall. He has developed a delicious all beef sausage. He told Pam that he will donate anything we need.

Social Committee

Jamie Brown discussed the STREET PARTY that will be held on Tuesday night after opening ceremonies. See attached sheet.

FOOD COMMITTEE

THE FOOD COMMITTEE HASN'T MET AS OF YET.

PAM SNEPP, DAVE HUMMEL, THE GROUNDS SUPT. OF THE STATE FAIR GROUNDS & MYSELF MET THE 3RD WEEK OF NOVEMBER. WE ASKED DAVE SOME QUESTION PRETAINING TO THE STATE FAIR CATERER. I HAVE CALLED HIM A NUMBER OF TIMES & HE WOULDN'T GET BACK WITH ME. DAVE SAID THAT IN THE OUR LAND PAVILLON BUILDING THERE IS NO KITCHEN UTILITIES. THEREFORE WE NEED TO LET THE STATES THAT ARE FUNISHING MEALS TO KNOW ABOUT THIS. DAVE WANTS TO KNOW HOW KENTUCKY FAIRGROUNDS HANDLED THE FUNISHED MEALS. THE CATERER ISN'T GOING TO BE VERY HAPPY WITH THE FUNISHED MEALS. I TRIED TO GET A HOLD OF DAVE THIS WEEK. BUT HE WAS OUT OF THE OFFICE.

THE MEALS ALREADY FUNISHED.

Trade Show Committee

December 30, 1997

The Trade Show Committee met after the last meeting of the Juniors on December 7, 1997 at the State Fairgrounds. The committee members include Andrew, David, Jim Stewart and Chris Wickard. We are finalizing the trade show pamphlet today. This will be sent out the week of January 5, 1998.

We have collected approximately 13 names from the Beef Congress exhibitors that would like to exhibit at the 98 National.

The following are trade show booths that will be complimentary:

Embroidering company	3 booths
Auxilliaries	5 booths
State Government	1 booth
National Juniors	12 booths 22 booths
National Association	1-2 booths
State to have in 1999	1 booth
Total	13 - 14 booths

We are sure that we have the outside display area full. This income would total \$3750. If all but 14 booths were taken in the inside booths, then the total income would be \$12500. The committee has decided to charge extra for electricity, phone connections, tables and chairs. We will not have curtain dividers.

We do not expect to fill the 39 booths in the Pavilion. The goal is to get approximately 20 to 25 booths filled inside.

Any comments feel free to contact one of the committee members listed earlier.

REIMBURSEMENT PROCESS

The deadline for submitting reimbursement applications and a final report to the Indiana Livestock Promotion and Development Fund was six months from the date of the event. After “Hoop it up in Indiana ‘98” was over, some bills and money continued to flow in for a few months. I checked several times with the committee chairs and Pam to ensure that all expected bills had been paid before beginning the final stage of reimbursement. Once all pertinent checks had cleared the account, we were ready to begin the process.

When the IJAA received the \$30,000 grant, a detailed agreement was signed by both sides setting forth the guidelines to follow during the event and reimbursement process (included pages 69-75). By being aware of what was expected from the beginning, my advisor and I were well prepared when it came time to complete the various forms. The State of Indiana provided example reimbursement forms and claim vouchers (included on pages 76-79). They also recommended we have a licensed CPA complete an audit before remitting our packet in order to speed up the State’s review.

At this point in time, the IJAA is waiting for reimbursement from the State as the final step in this association with the Indiana Livestock Promotion and Development Fund. The entire experience united our association with the State of Indiana to host a national event showcasing not only Angus cattle, but also our wonderful State. Governor Frank O’Bannon proclaimed July 20-25, 1998 to be “National Junior Angus Show Week,” and he and Lieutenant Governor Joseph E. Kernan welcomed visitors to the 1998 NJAS in a letter complementing the Angus industry (included on pages 80-81).

**STATE OF INDIANA
LIVESTOCK PROMOTION & DEVELOPMENT FUND
GRANT NUMBER: LP98-515**

THIS AGREEMENT is made and entered into by and between the **STATE OF INDIANA**, acting by and through the Office of the Commissioner of Agriculture (the "State") and **INDIANA JUNIOR ANGUS ASSOCIATION** (the "Grantee"), an eligible entity as defined in Indiana Code 4-4-3.2, for the purposes and subject to the terms and conditions agreed to herein.

1. PURPOSE OF AGREEMENT:

The purpose of this Agreement is to enable the State to make a grant from the State of Indiana's Livestock Promotion & Development Fund of up to **THIRTY THOUSAND DOLLARS (\$30,000.00)**, to the Grantee named above, for reimbursement of eligible project costs as described in Exhibits A and B of this Agreement. The grant shall be used exclusively in accordance with the provisions contained in this Agreement and in Indiana Code 4-4-3.2 establishing the Indiana Livestock Promotion & Development Fund, as well as any rules adopted thereunder.

2. TERM OF AGREEMENT:

The term of this Agreement shall be from the date of final execution by all parties hereto until **JULY 25, 1998** (the "Expiration Date"). All drawdowns of grant funds must be completed within one (1) year after completion of work performed. In no event shall payments be made for work done or services performed after the Expiration Date. The Grantee may request in writing that the Expiration Date only of this Agreement be extended; such request may be approved in writing by a duly authorized representative of the State. If the Expiration Date is extended, all other provisions of this Agreement shall remain in full force and effect.

3. USE OF GRANT FUNDS BY GRANTEE:

Grant funds received by the Grantee pursuant to this Agreement shall be used only to reimburse an approved livestock project permitted by Indiana Code 4-4-3.2, which project is described fully in Exhibit A, attached hereto, made a part hereof and incorporated herein and the Livestock Promotion & Development fund Guidelines made a part hereof and incorporated herein as part of this Agreement.

4. DESIGN AND IMPLEMENTATION OF PROJECT:

The Grantee shall be solely responsible for the coordination and implementing of this Livestock Promotion project as described in Exhibit A. Modification of its application shall require prior written approval of the State.

5. PROJECT BUDGET AND BUDGET MODIFICATION:

The project budget is set forth as Exhibit B in this Agreement, attached hereto, made a part hereof and incorporated herein by reference as part of this Agreement. The Grantee shall not spend more than the amount for each line item, as described in Exhibit B, without the prior written consent of a duly authorized representative of the State; nor shall the project costs funded by the grant and those funded by the local and/or private share be amended without the prior written consent of the State.

6. **PAYMENT OF GRANT FUNDS BY THE STATE:**

The payment of this grant by the State to the Grantee shall be made in accordance with the following schedule and conditions:

- (A) This Agreement must be fully executed.
- (B) The State will require satisfactory evidence furnished by the Grantee that expenses approved by this agreement, as described in Exhibit B, have been paid in full. This will be done by furnishing actual invoices for the total cost of each line item, as well as the front and back side of checks written for these expenses, prior to making payment under this Agreement. All payments are subject to the State's determination that the Grantee's performance to date conforms with the project as approved and described in Exhibit A, notwithstanding any other provision of this Agreement. All payments are subject to completion of all terms and conditions as outlined in Exhibit C.
- (C) All payments will be made in arrears only upon presentation of approved and signed State of Indiana Claim Vouchers. Such Claim Vouchers must be submitted with items mentioned in 6B above detailing disbursements of state funds by project budget line items as set forth in Exhibit B.
- (D) The State will not remit any amount requested for reimbursement where, in the State's sole judgment, (1) Grantee has failed to supply any material fact in its request for reimbursement, (2) Grantee is in default under this Agreement, (3) Grantee has failed to complete the activities referred to in Exhibit A or (4) Grantee has failed to provide sufficient matching funds for premiums in accordance with Indiana Code 4-4-3.2.
- (E) The Grantee is responsible for submitting to the State a report and receipts after the completion of the project. This report must detail the type of project this was and how it promoted the industry as described in Exhibit A.
- (F) The Grantee shall be reimbursed for travel only if it follows state guidelines set forth in Exhibit C.

7. **STATUTORY AUTHORITY OF GRANTEE:**

The Grantee in this Agreement is a qualified entity under the Indiana Code 4-4-3.2, and expressly warrants to the State that it is statutorily eligible to receive monies from the Indiana Livestock Promotion & Development Fund, and expressly agrees to repay all monies paid to it under this Agreement should a legal determination of its ineligibility be made by any court of competent jurisdiction.

8. **GOVERNING LAWS:**

This Agreement shall be construed in accordance with and governed by the laws of the State of Indiana and suit, if any, must be brought in the State of Indiana.

9. **COMPLIANCE WITH LAWS:**

The Grantee agrees to comply with all applicable Federal, State and local laws, rules, regulations, or ordinances, and all provisions required thereby to be included herein, are hereby incorporated by reference. The enactment of any State or Federal statute or the promulgation of regulations thereunder after execution of this Agreement shall be reviewed by the Attorney General and the State to determine whether the provisions of the Agreement require formal amendment.

10. **MULTI-TERM FUNDING CANCELLATION CLAUSE:**

When the Director of the State Budget Agency makes a written determination that funds are not appropriated or otherwise available to support continuation of performance of this Agreement, the Agreement shall be canceled. A determination by the Budget Director that funds are not appropriated or otherwise available to support continuation of performance shall be final and conclusive.

11. **TERMINATION OF GRANT:**

This Agreement may be terminated with or without cause, by either party before its expiration date by sending the other party written notice via certified mail, return receipt requested, at least thirty (30) days prior to the date of termination. Upon receipt of such notice from the State to the Grantee, no new or additional liabilities payable by the State shall be incurred without the prior written approval of the State. Grantee shall continue to be responsible and liable for the proper performance of its obligations to the date of termination.

12. **PENALTIES/INTEREST/ATTORNEY'S FEES:**

The State will in good faith perform its required obligations hereunder and does not agree to pay any penalties, liquidated damages, interest or attorneys' fees, except as authorized by Indiana Law, in part, I.C. 5-17-5-1 et. seq., I.C. 34-2-22-1 et. seq. and I.C. 34-4-16-1.1 et. seq.

13. **INDEMNIFICATION:**

Grantee agrees to indemnify, defend, and hold harmless the State of Indiana and its agents, officers, and employees from all claims and suits including court costs, attorney's fees, and other expenses caused by any act or omission of the Grantee and/or its subcontractors, if any.

14. **INDEPENDENT CONTRACTOR:**

A. Both parties hereto, in the performance of this Agreement, are acting in an individual capacity and not as agents, employees, partners, joint ventures or associates of one another. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purposes whatsoever. Neither party will assume any liability for any injury (including death) to any persons, or any damage to any property arising out of the acts or omissions of the agents, employees, or subcontractors of the other party.

B. The Grantee shall be responsible for providing all necessary unemployment and worker's compensation insurance for its employees.

15. **NONDISCRIMINATION:**

Pursuant to Indiana Code Sec. 22-9-1-10 and the Civil Rights Act of 1964, the Grantee and its subcontractors, if any, shall not discriminate against any employee or applicant for employment, to be employed in the performance of this Agreement, with respect to the employee's or applicant's hire, tenure, terms, conditions, or privileges of employment or any matter directly or indirectly related to employment, because of the employee's or applicant's race, color, religion, sex, disability, national origin, ancestry or status as a veteran. The Grantee understands that the State is a recipient of federal funds. Pursuant to that understanding, the Grantee and its subcontractors, if any, agree that if the Grantee employs 50 or more employees and does at least \$50,000 worth of business with the State and is not exempt, the Grantee will comply with the affirmative action reporting requirements of 41 CFR 60-1.7. Breach of this covenant may be regarded as a material breach of this Agreement. The State of Indiana shall comply with Section 202 of Executive Order 11246, as amended, 41 CFR 60-250, and 41 CFR 60-741, as amended, which are incorporated herein by specific reference.

16. **NOTICE TO PARTIES:**

Whenever any notice, statement or other communications shall be sent to the State or Grantee, it shall be sent to the following address, unless otherwise specifically advised.

A. Notice to State shall be sent to:

Office of the Commissioner of Agriculture
Pam Bright, Executive Director
ISTA center, Suite 414
150 W. Market Street

Edinburgh, IN 46124
812/587-5307

C. Payments to the Grantee shall be sent to:

Same as 16A

17. **AUTHORITY TO BIND:**

Notwithstanding anything in this Agreement to the contrary, the signatory for the Grantee represents that he/she has been duly authorized to execute contracts on behalf of the Grantee.

18. **MAINTAINING A DRUG-FREE WORKPLACE (EXECUTIVE ORDER NO. 90-5)**

A. Grantee hereby covenants and agrees to make a good faith effort to provide and maintain during the term of this grant a drug-free workplace, and that it will give written notice to the Indiana Department of Commerce and the Indiana Department of Administration within ten (10) days after receiving actual notice that an employee of Grantee has been convicted of a criminal drug violation occurring in Grantee's workplace.

B. In addition to the provisions of subparagraph A above, if the total grant amount set forth in the grant is in excess of \$25,000.00, Grantee hereby further agrees that this grant is expressly subject to the terms, conditions, and representation contained in the Drug-Free Workplace Certification executed by the Grantee in conjunction with this grant and which is appended as an Attachment hereto.

C. It is further expressly agreed that the failure of Grantee to in good faith comply with the terms of subparagraph A above, or falsifying or otherwise violating the terms of the certification referenced in subparagraph B above, shall constitute a material breach of this Agreement and shall entitle the State to impose sanctions against the Grantee including, but not limited to, suspension of grant payment, termination of this Agreement and/or debarment of the Grantee from doing further business with the State for up to three (3) years.

19. **SEVERABILITY:**

The invalidity of any section, subsection, clause or provision of this Agreement shall not affect the validity of the remaining sections, subsections, clauses or provisions of the Agreement.

20. **REMEDIES NOT IMPAIRED:**

No delay or omission of the State in exercising any right or remedy available under this Agreement shall impair any such right or remedy, or constitute a waiver of any default or any acquiescence thereto.

21. **TAXES:**

The State of Indiana is exempt from State, Federal and local taxes. The State will not be responsible for any taxes levied on the Grantee as a result of this Agreement.

22. **WAIVER OF RIGHTS:**

No right conferred on either party under this Agreement shall be deemed waived and no breach of this Agreement excused, unless such waiver or excuse shall be in writing and signed by the party claimed to have waived such right.

23. **CONFIDENTIALITY OF STATE INFORMATION:**

The Grantee understands and agrees that data, materials and information disclosed to the Grantee may contain confidential and protected data; therefore, the Grantee promises and assures that data, material and other information gathered, based upon or disclosed to the Grantee for the purpose of this Agreement will not be disclosed to others or discussed with other parties without the State's prior written consent.

24. **ACCESS TO RECORDS:**

The Grantee and its subcontractors shall maintain all books, documents, papers accounting records and other evidence pertaining to the cost incurred and shall make such materials available at their respective offices at all reasonable times during the Agreement period and for five (5) years after (a) the Expiration Date or (b) the resolution of any applicable findings regarding the grant made under this Agreement by the Indiana State Board of Accounts, whichever is later. The Grantee shall ensure the cooperation of the Grantee's employees in such monitoring and evaluation efforts. The Grantee will take all actions necessary to correct or cure any problems or deficiencies identified by the State during its monitoring and evaluation.

25. **CONFIDENTIALITY OF DATA, PROPERTY RIGHTS IN PRODUCTS, AND COPYRIGHT PROHIBITION:**

The Grantee further agrees that all information, data, findings, recommendations, proposals, etc. by whatever name described and by whatever form therein, secured, developed, written or produced by the Grantee in furtherance of this Agreement shall be the property of the State and that the Grantee shall take such action as is necessary under law to preserve such property rights in and of the State while such property is within the control and/or custody of the Grantee. By this Agreement the Grantee specifically waives and/or releases to the State any cognizable property right in the Grantee to copyright or patent such information, data, findings, recommendations, proposals, etc.

26. **FORCE MAJEURE**

In the event that either party is unable to perform any of its obligations contract -- or to enjoy any of its benefits -- because of natural disaster, actions or decrees of governmental bodies or communication line failure not the fault of the affected party (hereinafter referred to as a Force Majeure Event), the party who has

been so affected shall immediately give notice to the other party and shall do everything possible to resume performance. Upon receipt of such notice, all obligations under this contract shall be immediately suspended. If the period of nonperformance exceeds thirty (30) days from the receipt of notice of the Force Majeure Event, the party whose ability to perform has not been so affected may, by giving written notice, terminate this contract.

26. CONFLICT OF INTEREST:

A. As used in this section:

"Immediate family" means the spouse and the emancipated children of an individual.

"Interested Party" means:

1. The individual executing this Agreement;
2. Any individual who has an interest of three percent (3%) or more of Grantee, if Grantee is not an individual; or
3. Any member of the immediate family of an individual specified under subdivision 1 or 2.

"Department" means the Indiana Department of Administration.

"Commission" means the State Ethics Commission.

- B.** The Department may cancel this Agreement without recourse by Grantee if any Interested Party is an employee of the State of Indiana.
- C.** The Department will not exercise its right of cancellation under section B above if the Grantee gives the department an opinion by the Commission indicating that the existence of this Agreement and the employment by the State of Indiana of the Interested Party does not violate any statute or code relating to ethical conduct of state employees. The Department may take action, including cancellation of this Agreement consistent with an opinion of the Commission obtained under this section.
- D.** The Grantee has an affirmative obligation under this Agreement to disclose to the Department when an Interested Party is or becomes an employee of the State of Indiana. The obligation under this section extends only to those facts which Grantee know or reasonable could know.

27. DRUG-FREE WORKPLACE CERTIFICATION:

This certification is required by Executive Order No. 90-5, April 12, 1990, issued by the Governor of Indiana. Pursuant to its delegated authority, the Indiana Department of Administration is requiring the inclusion of this certification in all contracts with and grants from the State of Indiana in excess of \$25,000. No award of a contract shall be made, and no contract, shall be valid unless and until this certification has been fully executed by the Grantee and made a part of the contract or Agreement as part of the contract documents. False certification or violation of the certification may result in sanctions including, but not limited to, suspension of contract payments, termination of the contract or agreement and/or debarment of contracting opportunities with the State for up to three (3) years.

The Grantee certifies and agrees that it will provide a drug-free workplace by:

- a. Publishing and providing to all of its employees a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the Grantee's workplace and specifying the actions that will be taken against employees for violations of such prohibition;
- b. Establishing a drug-free awareness program to inform employees that (1) the dangers of drug abuse in the workplace (2) the Grantee's policy of maintaining a drug-free workplace; (3) any available drug counseling, rehabilitation, and employee assistance programs; and (4) the penalties that may be imposed upon an employee for drug abuse violations occurring in the workplace.
- c. Notifying all employees in the statement required by subparagraph (a) above that as a condition of continued employment the employee will abide by the terms of the statement; and (2) notify the employee of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) days after such conviction;
- d. Notifying in writing the contracting State Agency and the Indiana Department of Administration within ten (10) days after receiving notice from an employee under subdivision (c)(2) above, or otherwise receiving actual notice of such conviction;
- e. Within thirty (30) days after receiving notice under subdivision (c)(2) above of a conviction, imposing the following sanctions or remedial measures on any employee who is convicted of drug abuse violations occurring in the workplace: (1) take appropriate personnel action against the employee, up to and including termination; or (2) require such employee to satisfactorily participate in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State or local health, law enforcement, or other appropriate agency; and
- f. Making a good faith effort to maintain a drug-free workplace through the implementation of subparagraphs (a) through (e) above.

28. NON-COLLUSION AND ACCEPTANCE:

The undersigned attests under penalties of perjury that he/she is the contracting party, or the he/she is the representative, agent, member or officer of the contracting party, the he/she has not, nor has any other member, employee, representative, agent or officer of the firm, company, corporation or partnership represented by him/her, directly or indirectly, to the best of their knowledge, entered into or offered to enter into any combination, collusion or agreement to receive or pay, and that he/she has not received or paid, any sum of money or other consideration for the execution of this Agreement other than that which appears upon the face of the Agreement.

D. State Board of Accounts Form E-1

The State Board of Accounts requires any nonprofit receiving funds from or through the State to file an entity annual report (Form E-1). This form is NOT required for governmental agencies. This form, instructions for its completion, and a copy of the Indiana code requiring this reporting are enclosed with this procedures manual if the Grantee is a nonprofit organization.

E. Return of Paperwork

The copies of the grant agreements (3), signature cards (2), Form W-9 (1), and form E-1 if applicable must be returned to Pam Bright, Program Director, Office of the Commissioner of Agriculture, 150 W. Market, #414, ISTA Center, Indianapolis, IN 46204 within 30 days.

Release of Grant Funds

A. Grant Reimbursement

After the date of the event you have ninety (90) days to submit the following.

EXECUTIVE DEPARTMENT
INDIANAPOLIS

PROCLAMATION

Executive Order

TO ALL TO WHOM THESE PRESENTS MAY COME, GREETING:

- WHEREAS, through their care and stewardship of the land, farmers and ranchers in the United States produce agricultural commodities that ensure a safe and abundant food supply for the world; and
- WHEREAS, Indiana agriculture is first in the nation in the production of popcorn and ducks; third in spearmint and tomatoes for processing; fourth in peppermint oil, soybeans, ice cream production and total eggs produced; fifth in cantaloupes, chickens (except broilers) and corn for grain; and sixth in all hogs, watermelon and snap beans for processing; and
- WHEREAS, Indiana also plays an important role in the production of beef, veal, sheep, wheat, oats, fruits and nuts, vegetables, wine, honey, aquaculture, horticulture and forest products; and
- WHEREAS, this agricultural activity was maintained on 60,000 farms, totaling approximately 16 million acres in Indiana; and
- WHEREAS, this productivity is a direct result of the commitment from producers, government, education, agribusiness and commodity and farm organizations, who work together to provide quality food products, preserve our natural resources and promote rural Indiana; and
- WHEREAS, the Angus breed is internationally recognized as being one of the top beef breeds and the Certified Angus Beef Program is known internationally as being the symbol of premier quality beef; and
- WHEREAS, the National Junior Angus Show gives young people in Indiana and across the United States the opportunity to demonstrate their leadership skills and achieve a sense of accomplishment;

NOW, THEREFORE, I, FRANK O'BANNON, Governor of the State of Indiana, do hereby proclaim July 20 - 25, 1998, as

NATIONAL JUNIOR ANGUS SHOW WEEK

in the State of Indiana, and invite all citizens to take due note of the observance.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the State of Indiana at the Capitol in Indianapolis on this 11th day of June, 1998.

July 20, 1998

Dear National Junior Angus Show Enthusiast:

It is with great admiration for the cattle industry and producers that we welcome you to Indiana for the National Junior Angus Show. The Hoosier state is proud of its heritage, and the Indiana State Fairgrounds provides a platform to showcase the leading cattle breed in the nation - Angus.

The members of your association understand the past, are excited about the present, and stand ready to plan for the future. It is an honor to witness the rich tradition the cattle industry has to offer. We are glad you have chosen the century-old Indiana State Fairgrounds as your site.

Agriculture is a leading and treasured industry in the State of Indiana. Indiana has a long and rich tradition as a major food producing state, and consistently ranks as a leader in production agriculture. Hoosier farmers are the caretakers of the land and work hard to produce the best yield of crops and livestock each year. We are proud of Indiana and of the people who keep it "growing."

We know that you will enjoy Indiana, too!

ACKNOWLEDGMENTS

My experience in this project would not have been the same without my advisor Pam Snepp. She pushed me to reach my maximum potential by assigning me a heavy load of responsibilities. Her confidence in my abilities inspired me to do an exceptional job in an attempt to prove myself worthy. My communication skills have greatly improved through my interaction with the all "adult" committee chairs throughout this process. Because Pam believed in me, the others saw me as their peer rather than a subordinate. My interaction with all members involved in this project has provided an enormous amount of "real-world" experience.

Pam and her husband Don were named 1998 Advisors of the Year by the American Angus Association (included on page 83). By donating countless hours to the IJAA, they have surely influenced the lives of numerous other juniors in similar ways to mine. I would like to thank Pam for allowing me to play an instrumental part in such a successful project.

 Indianapolis, Indiana

Don and Pam Snepp, 1998 National Junior Angus Show Advisors of the Year.

Throughout the past six years, Don and Pam Snepp have been a source of leadership, support and direction for the Indiana Junior Angus Association (IJAA).

"They have guided the Indiana Junior Angus Association with positive attitudes, helpful hands and encouraging words," says Janelle Sommers, second vice president of IJAA, in her letter of nomination. "In fact, they have grown to be our friends and heroes."

The Snepps have dedicated countless hours to the planning of the 1998 National Junior Angus Show. They have organized work days for the event, and they have overseen numerous meetings and fund-raising projects.

This couple has encouraged the IJAA members not just to win, but to participate at the local, state and national levels because "those who do their best are winners."

Leadership is also important to the Snepps. Pam has attended the Kentucky and the national LEAD conferences to find new ways to improve the IJAA. This couple is also active in the Indiana Angus Association. Don is currently serving as president.

And through all this Angus involvement, the Snepps have found the time to be active within their community. Both are Sunday school teachers and committee chairmen within their local church, and they are active supporters of the local 4-H program.

"With Pam's ever-present smile and cheerful personality along with Don's dry wit and positive attitude, they are a great asset to the IJAA and the Angus family in Indiana," says Sommers.

CONCLUSION

The Indiana Junior Angus Association was drawn closer by working together to host "Hoop in up in Indiana '98." The Angus journal, the AAA's official national publication, featured a "re-cap" of Indiana's 1998 NJAS in their September 1998 issue (Included on pages 85-100). This article and its pictures clearly show how all junior members were drawn closer by attending our show. The numerous activities and contests beyond the show ring definitely were a positive learning experience for those involved. Many smiling young people made memories last summer in Indianapolis that will last a lifetime. I have been personally enriched through my part in making that possible.

This article helps tie together my experiences and hard work as related to this project. Everything shown in these pictures was ultimately paid for by a check that I personally wrote. Notice the similarities between these pictures and the entries in my included reports. The backdrop and logo, the green shavings and plants, the dinners and opening ceremony, the street party with the games and dunk tank, and the queens at the Indianapolis zoo - I was partly responsible for making each of these things possible. It was an invaluable experience and the reflection during the thesis process has proven to be just as great.

Our fund raising efforts combined with the Indiana Livestock Promotion and Development Fund grant have left a large sum of money in the "Hoop it up in Indiana '98" checking account. The IJAA plans to invest this money and generously donate to states hosting future National Junior Angus Shows as a way to ensure the continuance of such a phenomenal annual event for today's youth.

1998 National Junior Angus Show

NJAA Members Bring Home Banners, Ribbons & Snapshots

What a tremendous event! Banners, ribbons and snapshots are what many people will have to remind them of the 1998 National Junior Angus Show (NJAS). This event is not only the best cattle show in the country, but it's a combination of activities and programs to help secure a successful future for the Angus breed.

The purpose of the NJAS is to provide an opportunity for youth to gather and exhibit their Angus cattle. This event has grown into something more than a cattle show. The merging of the National Showmanship Contest and the addition of several contests have provided an opportunity for self-improvement and state cooperation. The opportunities for growth are limited only by the desire to become involved.

This year there were 10 competitions in which juniors could compete as individuals, a team or a state. The number of competitions and different show divisions allowed many to receive awards; however, not all of the participants were fortunate enough to walk out of the ring with a first-place ribbon or to have their names announced during the awards program. Our goal for the youth programs is to make the juniors who walk out of the show ring or who participate in a contest feel like they have won just by being part of the organization.

The awards will remind us of our accomplishments, but it's the snapshots and memories we carry with us that will remind us of the show's wonderful experiences and events. The new friendships made and the old ones renewed make this an event you shouldn't miss.

The 1998 NJAS would not have been possible without the support of a lot of people. This event starts with the state junior association that steps up and says it will host the show. A great thank you goes to the Indiana Junior Angus Association for making that commitment and dedicating the time to make this a first-class event. The Indiana Angus Association and Auxiliary also stepped forward and offered both financial and physical help.

Thanks to the American Angus Association Board of Directors for its continued support. Also, the show would be much less without the support of the American Angus Auxiliary. This year, more than ever, other state junior associations helped through financial and physical contributions during the show.

The financial support of so many Angus producers from across the country allows this event to take place. We thank you. Finally, to all the volunteers who judged contests, served food, helped in the hospitality area or got the barns and tie-outs ready, thanks for making it all possible.

Each year as I work with the state association in preparing for this event, I hope the young people gain something unique and interesting from the experience. I know I learn each year from the planning and execution of the event. I also know the awards I receive are from watching the young people grow and change through their involvement, their smiles and the interactions I see between two people who live half a nation apart but are bound by the love of Angus cattle.

You see, they're not just banners, ribbons and snapshots; they're reminders of so much more.

Juniors **Exhibit 985** Head

*J*unior Angus breeders from across the United States made their way to Indianapolis for the 30th annual National Junior Angus Show, (NJAS) July 20-25.

Champions were selected from the 194 bred-and-owned females, 42 cow-calf pairs and 57 bred-and-owned bulls by Dave Nichols, Manhattan, Kan. Knic Overpeck, Clinton, Ind., evaluated the 604 owned females. Donald Boggs, Brookings, S.D., evaluated the 45 head of steers. There were also 43 steers entered in the carcass competition.

Wesley Womack, Pembroke, Ky., exhibited the grand champion bred-and-owned female. Womack's Primrose Lucy 147 is a Jan. '97 daughter of Leachman Saugahatchee 3000C and first won early junior champion female honors.

WK Tillie 7277 walked away with reserve grand champion bred-and-owned female honors. Kami Krebs, Gordon, Neb., exhibited the Feb. '97 daughter of Krugerrand's Moneyline who was first named reserve early junior champion female.

Dameron Annie 7160 was crowned grand champion owned female. She's a May '97 daughter of RA Stout owned by Elizabeth Schilling, Lake Fork, Ill. She was first named intermediate champion female.

Davis Peggy Sue 6303 walked away with reserve grand champion owned female honors. Rebecca Nida, Red Rock, Okla., exhibited the Sept. '96 daughter of Rito 9FB3 of 5H11 Fullback who was first named senior champion female.

A&B Yukon 7150, a May '97 son of Krugerrand of Donamere 490, claimed grand champion bred-and-owned bull honors. Jessica Sawyer, Bassett, Neb., showed the entry, which earlier won intermediate champion bull honors.

BC Johnny Walker Black Label won reserve grand champion bred-and-owned bull honors for Kyle Conley, Clarksdale, Mo. The Sept. '97 son of RR Black Label 4560 was first named bull calf champion.

Beck Pride 5196 and her Sept. '97 heifer calf walked away with grand champion cow-calf pair honors. Jennifer Beck, Louisburg, N.C., exhibited the cow, which is a Sept. '95 daughter of VDAR New Trend 315. Her calf is sired by California Traveler.

Reserve grand champion cow-calf pair honors went to Womack's Miss Lucy 1285 and her March '98 heifer calf. Katrina Womack, Pembroke, Ky., exhibited the cow, an Oct. '95 daughter of VDAR Lucy's Boy. The calf is sired by Sitz Traveler 8180.

Mandy Bauman, Eureka, Ill., captured grand champion steer honors with SBA Cougar. He is a May '97 son of Krugerrand of Donamere 490.

Dalton's High Expectation captured reserve grand champion steer honors for Jay Covell, Frederick, Md. He's an April '97 son of GAR Exclamation 3884.

Curtis Bryant, Monkton, Md., had the grand champion carcass steer. His entry had a live weight of 1,112 pounds (lb.) and a carcass weight of 702 lb. The carcass had a fat thickness of 0.35 inches and a ribeye area of 13.6 square inches. The steer graded Choice with a 2.09 Yield Grade.

The reserve grand champion carcass steer was entered by Ryan Schroeder, Ottawa, Ohio. It had a live weight of 1,269 lb., and a carcass weight of 745 lb. The carcass had a fat thickness of 0.30 inches, a ribeye area of 14.3 square inches, and graded Choice with a 1.81 Yield Grade.

Fifty-three Compete For "Top Showman" Title

*J*ulie Dameron, Lexington, Ill., took home the coveted title of "Top Showman" from the 1998 National Junior Angus Showmanship Contest, July 24-25 in Indianapolis, Ind. Dameron topped the 53 contestants representing 29 states in the competition.

Along with the honor of "Top Showman," Dameron received \$350 from the Hamilton James Memorial Fund and an engraved silver Revere bowl from the American Angus Auxiliary.

Wesley Womack, Pembroke, Ky., placed second in the competition, receiving \$250 for his efforts. Placing third was Sonya Smith, Lebanon, Tenn. She was awarded \$175.

Diana Covell, Frederick, Md., placed fourth, winning \$125, while James Armstrong, Unionville, Tenn., was awarded \$100 for his fifth-place finish.

The cash prizes awarded to the top five showmanship winners were on behalf of the Hamilton James Memorial Fund, established in the memory of Angus enthusiast and auctioneer Ham James. The American Angus Auxiliary presented each of the top five finalists a silver Revere bowl.

If one advances confidently in the direction of his dreams, and endeavors to live the life which he has imagined, he will meet with a success unexpected in common hours. — Henry David Thoreau

Julie Dameron, Lexington, Ill., was named "Top Showman" in the 1998 National Junior Angus Showmanship Contest. Her father, Gary, right, has been instrumental in her Angus involvement.

The three judges for the event were Ryan Cotton, Clarkesville, Ga.; Paul Hill, Bidwell, Ohio; and Angie Siemens, New Glarus, Wis.

Contestants were evaluated on their handling skills, their ability to follow instructions, use of equipment, courtesy, sportsmanship and general appearance. The contestants did not show their own animals; they drew for animals owned by other exhibitors at the show.

A group of 15 finalists were selected after four rounds of preliminary competition. The 15 finalists then competed for the "Top Showman" honor.

Other contestants chosen as finalists were Jennifer Azevedo, Newman, Calif.; Lora Porter, Jefferson, Ga.; Hutch Porter, Jefferson, Ga.; Jamie Meyer, Douglass, Kan.; Kevin Rose, Salem, Ill.; Sarah LaMarra, North Branch, Mich.; John Light Jr., Lagrangeville, N.Y.; Tracey Blythe, Dresden, Ohio; Miranda Grissom, Prague, Okla.; and William Walther, Mount Crawford, Va.

Juniors Elect **New Board** & Officers

Members of the National Junior Angus Association (NJAA) elected six new members to the NJAA Board of Directors during the Association's annual meeting in Indianapolis. The meeting was held in conjunction with the 1998 National Junior Angus Show (NJAS), July 21-25.

New officers were announced during the awards ceremony on Friday evening, July 24. Serving as chairman of the 10,000-member organization for the coming year is Janelle Sommers, Silver Lake, Ind. Rhonda Nida, Red Rock, Okla., is the vice chairman.

Justin (J.W.) McCurry, Mount Hope, Kan., is Foundation director, while the new leadership director is Diana Covell, Frederick, Md.

Director of membership information is Amy Dyar, Crossville, Ala., with Hutch Porter, Jefferson, Ga., rounding out the roll of officers as communications director.

The individuals elected to leadership positions are beginning the second year of their two-year terms on the Board.

Candidates from 12 states vied for six positions on the Board. After submitting applications, giving oral presentations and completing round-table interviews, delegates representing 32 states cast ballots for their top six candidates. The six NJAA members elected to serve as Directors for the next two years follow:

Julie Dameron, Lexington, Ill., is the daughter of Gary and Sharon Dameron. She will be a junior this fall at the University of Illinois, Urbana-Champaign, where she studies agricultural communications. She currently serves as president of the Illinois Junior Angus Association and has shown on the local, state and national levels.

John Melton, Bridgewater, Va., started his career of Angus leadership by serving as both treasurer and president of the Virginia Junior Angus Association. Melton is currently enrolled in the Terry College of Business at the University of Georgia. His parents are Carter and Connie Melton.

Melissa Pickrell, Paris, Ky., is the daughter of Ed and Kay Pickrell. This fall she will begin her fourth year at Western Kentucky University, where she is working toward a degree in agriculture with an emphasis in animal science. She is active on her college campus, as well as in the Kentucky Junior Angus Association, where she has served as secretary and Kentucky Angus Queen.

Garrett Pohlman, Norfolk, Neb., is working toward a degree in animal science at the University of Nebraska-Lincoln. His parents are Charles and Linda Pohlman. Through his junior Angus career, Garrett has been very involved in 4-H, FFA and other leadership activities in addition to the Nebraska Junior Angus Association, in which he served as the 1996-97 president.

Julie Scarlett, Snow Camp, N.C., is currently a student at North Carolina State University studying biology with a nutrition concentration. Julie has served several leadership roles in the North Carolina Junior Angus Association and has shown cattle in local, state and national shows. She is the daughter of Jim and Elaine Scarlett.

Lindsey Trosper, Hamilton, Mo., will begin her junior year at Stephens College this fall where she is working toward a degree in marketing, public relations and advertising. The daughter of Steve and Sandy Trosper, she served as 1997 Miss American Angus. Lindsey is an active member of the Missouri Junior Angus Association, recently serving as president.
